

Efficient Storage of Automotive Tools

Tool storage equipment we manufacture provides efficient solutions to all storage requirements of the automotive industry. We offer tool cabinets, chests and other innovative storage equipment that meets ISO standards and is supplied to customers all over the world.

Item	Storage Equipment Description
 HOT110C	MAGNETIC TOOL HOLDER Hold up to 20LBS of users' tools on this holder. Easy-use function
 HOT111R	MAGNETIC TOOL HOLDER, 470MM 470 x 21 x 21 mm. Including screws for the purpose of mounting this holder on the wall. Quality magnet hold tools securely.
 HOT020R	24" MAGNETIC TOOL HOLDER WITH HOOK Electro-deposition black finish and yellow fram. 24" long
 HOT021R	13" MAGNETIC TOOL HOLDER WITH HOOK Electro-deposition black finish and yellow fram. 13 " long
 HOT003C	STRONG MAGNETICK RACK FOR TOOLS 364mm long. Quality magnet applied. Can be mounted on the wall with screws included.
 AMA102C	MAGNETIZED COLLECTOR (TRAY) 6" dia. x 1.6" (H). Strong magnetic power to keep your tool. Can be used horizontally, vertically or upside down.
 AMA109L	MAGNETIZED COLLECTOR (TRAY) 4.3" dia. x 1.3" (H). Strong magnetic power to keep your tool. Can be used horizontally, vertically or upside down.
 AMA117C	MAGNETIZED COLLECTOR (TRAY) 9.5" x 5.59" X 1.7" (H). Strong magnetic power to keep your tool. Can be used horizontally, vertically or upside down.
 AMA124C	MAGNETIZED COLLECTOR (TRAY) 14" x 6" x 1-1/2" (H). Strong magnetic power to keep your tool. Can be used horizontally, vertically or upside down.

[AMA125C](#)

[SUPER-4 MAGNETIZED COLLECTOR \(TRAY\)](#)

10-5/8" x 11-1/2" X 1-1/4" (H). Strong magnetic power to keep your tool. Can be used horizontally, vertically or upside down.

[AMA126C](#)

[PLASTIC MAGNETIC TRAY \(ROUND\)](#)

Durable ABS plastic material applied. Ø149 x 27(H)mm (Ø5-3/4" x1-1/16"). Can be used this tray in any position - horizontal, vertical or even upside down thanks to its quality magnet.

[AMA127C](#)

[PLASTIC MAGNETIC TRAY \(SQUARE TYPE\)](#)

Durable ABS plastic material applied. 240 x 142 x 42.5(H)mm (9-1/2" x 5-1/2" x 1-5/8"). You can use this tray in any position like horizontal vertical or even upside down thanks to its quality magnet.

[HOW012R](#)

[TOOL HOLDER WITH TWO MAGNETIC PAD](#)

Powerful magnet to hold impact wrenches & their sockets. Can be put on tool cabinet, chests, etc. Quality steel body increase its durability and toughness.

[HOW011R](#)

[TOOL HOLDER WITH SINGLE MAGNETIC PAD](#)

Powerful magnet to hold air / power tools such as impact wrenches & their sockets. Can be put on tool cabinet, chests, etc. Quality steel body increase its durability and toughness.

[HOW010R](#)

[SIMPLE TOOL HOLDER WITH SINGLE MAGNETIC PAD](#)

Powerful magnet to hold air / power tools such as impact wrenches. Can be put on tool cabinet, chests, etc. Quality steel body increase its durability and toughness.

[HOW014R](#)

[ECONOMICAL MAGNETIC TOOL HOLDER](#)

Quality magnet to hold air / power tools such as impact wrenches. Can be put on tool cabinet, chests, etc. Also, with screws, you can mount this holder on wall.

[HOS035H](#)

[3PC SOCKET HOLDER SET](#)

All the socket with 1/4" DR, 3/8" DR, and 1/2" DR can be stored on this holder. Easy to distinguish by different color--blue for 1/4" DR, yellow for 3/8" DR, and red for 1/2".

[HOS031H](#)

[1/4" DR. SOCKET HOLDER](#)

Socket with 1/4" DR can be stored on this holder.

3/8" DR. SOCKET HOLDER

HOS032H

Socket with 3/8 " DR can be stored on this holder.

1/2" DR. SOCKET HOLDER

HOS033H

Socket with 1/2" DR can be stored on this holder.

1/4" DR SOCKET ORGANIZER

HOS028A

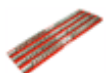

16-1/4" long & 1/4" DR. socket can be stored.

1/4" DR. MAGNETIC SOCKET HOLDER SET

HOS027R

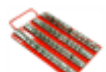

200mm long and 10pc 1/4" sockets can be stored.

80PC SOCKET TRAY RACK

HOS122I

430mm long. 1/4", 3/8", and 1/2" DR. sockets can be stored.

40PC SOCKET TRAY RACK

HOS121I

218mm long. 1/4", 3/8", and 1/2" DR. sockets can be stored.

3 WAY SOCKET TRAY RACK

HOS120R

430mm long. 1/4", 3/8", and 1/2" DR. sockets can be stored.
Including bits holder.

BIT HOLDER

HOS001A

Holded up to 20bits as maximum. PP material applied.
